PROFILE

I'm a computer science student with a strong passion for web design. Currently pursuing a bachelor's degree in computer science. Skilled in HTML, CSS, and JavaScript, with a keen eye for user interface design. Demonstrated ability to create visually appealing and user-friendly websites through coursework and personal projects. Eager to apply knowledge, creativity, and problem-solving skills to contribute to a dynamic web design team. Committed to continuous learning and staying updated with the latest industry trends.
